ANIMAL ANTICS

Sheep Dog Handling - Our dogs are highly trained Welsh collies that respond to “away”, “by”, “walk” and “stand”. Whilst the ducks move a little more slowly than sheep, co-ordination with ‘rover’ is still a fine art and great fun.

Falconry - After an introduction to the eagles, hawks, owls and falcons, guests fly the birds from the glove. The birds demonstrate their speed and accuracy in flight.

We can also offer Ferret Racing, Gun Dog Handling and petting Zoo experiences for children.

SHOOTING & ARCHERY

Laser Clay Shooting - If you have quick reflexes and a good eye this should be your forte – test your skill at Clay Shooting with the safety and accuracy of modern technology. (The laser shotguns give no recoil).

Longbow Archery - Continue England’s noble tradition by trying your skill with a modern bow: lighter and stronger but equally accurate. Would you have been a match for Robin Hood?

Pistol Shooting - A good eye and steady hand are required to ensure the top score on our targets. Safety is paramount but does not detract from the thrill.

SOMETHING DIFFERENT

As well as the traditional Country Sport activities, we also have a range of games, inflatables and the more unusual.

Below are some examples:

- Axe Throwing
- Welly Wanging
- Segways
- Inflatable Beach Volleyball
- Human Table Football
- Dart Football
- Rodeo Bull

TEAM COMPETITION

Why not add a competitive element to your Country Sports event?

Your guests will be split into groups and rotate around each activity earning points for their Team!

Our professional instructors will guide you through the activities with emphasis on guests gaining as much ‘hands on’ experience as possible.
