# CADBURY'S CRACKERLESS CHRISTMAS

This holiday season, we are embracing a more sustainable approach by going "crackerless." Instead of traditional Christmas crackers, which an alarming 40 million end up in landfill each year, we have decided to make a meaningful donation on your behalf to **Sustainably Run**. This organisation works tirelessly with local communities in the drylands of Africa to combat poverty and address the impacts of the climate crisis through tree cultivation and the restoration of protected land.

In the spirit of giving back and spreading joy, we kindly invite you to join us in supporting two important causes. Firstly, we encourage you to consider making a donation to **Help The Homelss**, as every contribution can make a significant difference in improving the lives of those less fortunate during this season of giving. Secondly, we kindly request that you bring non-perishable food items to donate to the **local food bank**. Your thoughtful contribution will help ensure that those in need have access to nourishing meals during this time.

Together, let us make a positive impact and embrace the true spirit of the season by extending our generosity to those who need it most. Thank you for your support and for joining us in these meaningful initiatives.

- Whilst every effort will be made to ensure all events go ahead with the Performers as advertised, Cadbury House reserve the right to alter or amend the programme where circumstances are beyond the control of the Company. In such cases the customer will be notified as soon as is possible and be offered alternative arrangements.
- Where a menu choice is required a pre-order will be required to be returned no later than six weeks prior to the event date. If the food pre-order is not returned by the required date then the venue will select your menu options and this will be non-amendable.
